

## Acknowledgment

I would like to express my sincere thanks to everyone who supported and guided me during my summer internship at the Indian Institute of Technology Palakkad.

First, I would like to thank my project supervisor, Professor **Dr. Naga Brahmendra Yadav Gorla Ph.D**, Assistant Professor from IIT Palakkad, for giving me this opportunity to work on the "Power Electronic Circuits - Numerical Simulations" project. His expertise, guidance, and encouragement were crucial for the successful completion of this internship.

I am grateful to the Electrical Engineering Department at IIT Palakkad for their support and for providing me with the necessary resources and facilities for my project work.

I would also like to acknowledge the help and guidance provided by the research scholars and lab staff in the department. Their insights and suggestions were valuable in overcoming challenges during the project.

I would like to thank my college faculty, **Dr. Ramakrishnan Maharajan**, **Dr. Ramesh vaddi** for allowing me for this internship opportunity and for their continuous support throughout my academic journey.

Finally, I would like to thank my family and friends for their unwavering support and encouragement during my internship experience. Their belief in me was a constant source of motivation.

This internship has been a transformative experience, and I am grateful to have worked with such a talented and dedicated team at IIT Palakkad. The knowledge and skills I gained during this period will be valuable assets in my future endeavors.
